8th grade Project Haitian Project

Were you aware that one in eight children die mostly because of malnutrition? The Haitian project supports Louverture Cleary Catholic Schools in Haiti.

To help as much as I can I am collecting white socks (any size) and art supplies for kids in Haiti.

When we've collected all we can Mrs. Kocher will have her daughter take them with her to Haiti on May 10th. Please help the Haitian Project. My name is Madison Romero and this is my 8th grade service project. Donations can be dropped off by the office in a bin. All donations due Thursday, April 30th!

Thank you, Madison

Hi! My name is Bella Bliujus. I'm working on the highest award in Junior Girl Scouting, the Bronze Award. I need to plan and do a service project that is important to me to earn the Bronze Award. I have chosen to collect coloring books, books, crayons, and stuffed animals for the children's department in a hospital in Naperville. I have chosen this because I was diagnosed with diabetes at the same hospital, and I would like to help them out because I know how it feels when you're in a hospital. Getting to color or play makes it feel less scary. So if you could help me out, thank you! According to hospital guidelines all things donated must be new. Thanks again! Bella Bliujus
